Dear Sirs

ACORN CLEANING SERVICES

We act as managing agents for various landlords of commercial property in Manchester City Centre and we employ Acorn Cleaning Services as contract cleaners on four buildings. We are very satisfied with their standard of cleaning, and can confirm their health & safety record is excellent. We have had no occasion to question any of their procedures and there have been no instances of health & safety incidents during their time with us.

We are happy to recommend them as responsible and efficient cleaning contractors and trust that this information is sufficient for your purpose.

Yours faithfully

WRATHER & CO. MANAGEMENT DEPT
